TRIBUTE TO GERALDINE BARNES

HON. JIM DAVIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 13, 2006

Mr. DAVIS of Florida. Mr. Speaker, I rise in honor of Geraldine Barnes, a tireless activist in the West Tampa community, who lost her battle with colon cancer last month.

A Middleton High School and Hillsborough Community College graduate, Geraldine dedicated her life to helping improve her community. She worked for Hillsborough County as a community organization specialist for 36 years, served on the Tampa Housing Authority board for more than a decade, helped initiate the West Tampa Community Development Corp. to drive the rehabilitation of West Tampa, and worked at the West Tampa Neighborhood Service Center, providing services to low-income residents.

Young or old, Geraldine served anyone in need, always with a focus on strengthening her community, improving opportunities for its residents and giving the people of West Tampa a voice. Even throughout her struggle with cancer, Geraldine continued to volunteer her time and her strength.

We all owe a debt of gratitude to Geraldine Barnes, not only for her tireless efforts on our behalf, but also for the example she has set for all of us to follow. On behalf of the Tampa Bay community, I extend my deepest sympathies to Geraldine's family.

THE PRAIRIE ROSE CHAPTER OF THE DAUGHTERS OF THE AMERICAN REVOLUTION SALUTES CONSTITUTION WEEK

HON. DENNIS MOORE

OF KANSAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 13, 2006

Mr. MOORE of Kansas. Mr. Speaker, the week of September 17–23 has been officially designated as Constitution Week. This marks

the 219th anniversary of the signing of our Constitution.

The guardian of our liberties, our Constitution established our republic as a self-governing nation dedicated to rule by law. This document is the cornerstone of our freedom. It was written to protect every American from the abuse of power by government. Without that restraint, our founders believed the republic would perish.

The ideals upon which our Constitution is based are reinforced each day by the success of our political system to which it gave birth. The success of our way of government requires an enlightened citizenry.

Constitution Week provides an opportunity for all Americans to recall the achievements of our founders, the nature of limited government, and the rights, privileges and responsibilities of citizenship. It provides us the opportunity to be better informed about our rights, freedoms and duties as citizens.

Mr. Speaker, at this time I particularly want to take note of the outstanding work of the Prairie Rose Chapter of the Kansas Society of the Daughters of the American Revolution, which is actively involved in the Third Congressional District in events this week commemorating Constitution Week. The Prairie Rose Chapter has been involved with this effort in our communities for a number of years and I commend them for doing so.

Our Constitution has served us well for over 200 years, but it will continue as a strong, vibrant, and vitafoundation for freedom only so long as the American people remain dedicated to the basic principles on which it rests. Thus, as the United States continues into its third century of constitutional democracy, let us renew our commitment to, in the words of our Constitution's preamble: "form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity. . . ." I know that the Prairie Rose Chapter of the Kansas Society of the Daughters of the American Revolution joins with me in urging all Americans to renew their commitment to, and understanding of, our Constitution, particularly during our current time of crisis, when Americans are fighting overseas to defend our liberties here at home.

TRIBUTE TO JUSTO "BILL" NORIEGA

HON. JIM DAVIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 13, 2006

Mr. DAVIS of Florida. Mr. Speaker, I rise in honor of Justo "Bill" Noriega, of Brandon, Florida, a pharmacist and family businessman who dedicated his life to helping his customers and his community.

Born in Ybor City, Bill earned his pharmacy degree at the University of Florida, graduating with high honors. Bill set up shop in the heart of Brandon, founding Bill's Prescription Center 50 years ago and working there until his cancer forced him to stay home.

Even in the face of growing competition, Bill's Prescription Center continues to be one of Brandon's longest-operating family businesses because of Bill's dedication to his customers. Bill took time with everyone who walked through his door—carefully listening to their concerns and patiently answering their questions—and he was known for helping patients who were unable to pay for their prescriptions. Always a servant to the community, Bill made sure his business continued delivering medicines to homebound customers, and his generosity extended beyond the pharmacy doors through his support of numerous community organizations.

On behalf of the entire Tampa Bay community, I would like to extend my deepest sympathies to the Noriega family. Bill was a role model for all of us, and I know that under his son John's watch, Bill's legacy of service will continue at Bill's Prescription Center.
